**Music from the Newest CD by Anne Roos
Heard Round the World!**

[For Immediate Release](#)

Flying in May or June of 2005? A track from Anne Roos' CD **Mermaids & Mariners** will be featured on the "Rhythms of the World" Channel on United Airlines and Air Force One airplanes. This music can be accessed with on board headsets.

An official with the company says, "It's beautiful music and absolutely stunning packaging." **Mermaids & Mariners** is actually a 24-page book containing an instrumental CD, featuring Anne Roos on the Celtic harp, with guitar, fiddle, and viola. This recording celebrates the lure of the sea through ballads, laments, and sea shanties.

Mermaids & Mariners is available on the Cambria Master Recordings Label, and is distributed worldwide. It can be purchased directly from Anne Roos' web site, www.celticharpmusic.com.
