Renaissance Magazine Calls Anne Roos' Wedding CD "One of the Best Collections of Celtic Harp Music"

"**Haste to the Wedding** is one of the best Celtic and Renaissance harp CDs you will ever find. It is also an excellent guide for any Olde World wedding," proclaims Michael Lohr in Issue #67 of [Renaissance Magazine](#). You'll find his full review of Anne Roos' wedding CD on pages 72 and 73 of this issue. Here are some highlights of the review:

"Anne Roos is a superb harpist...**Haste to the Wedding** is one of the best collections of Celtic harp music you will find. Full of Irish and Scottish courting and wedding songs, the CD is grouped by ceremonial sections: prelude music, processional music, unity candle/exchange of vows music, and recessional music.

Anne, who studied music theory at UCLA, proves to be a musical historian...A 48-page booklet accompanies the CD and provides a wonderful overview of traditional ceremonies and songs.

Haste to the Wedding is one of the best Celtic and Renaissance harp CDs you will ever find. It is also an excellent guide for any Olde World wedding."

[Renaissance Magazine](#) is a print publication that features articles on history, castles, heraldry, culinary and herbal arts, and in-depth interview with the movers and shakers of the re-enactment and faire communities. Regular columns review period books movies, music, web sites, and games.

Haste to the Wedding is on the [Cambria Master Recordings](#) label. This and other albums by Anne Roos are available for purchase online at [Amazon.com](#), [CDBaby.com](#), and many online stores.
