Is it Traditional Celtic Music or is it Metallica?

Find out by listening to Anne Roos on the new Celtic Folk Podcast

"Metallica on a harp. That's what I need to play on this podcast," remarked Al Mann, host of the Celtic Folk Podcast. In the June 28, 2006 show called "Traditional Sounds", he featured the tune "Jacky Tar" from Anne's **Mermaids & Mariners CD**--even though he yearned to hear one of her renditions of a Metallica cover.

In his notes on the Celtic Folk Podcast website, Mann went on to say, "Anne is at the top of the ladder as a traditional Celtic harpist. She doesn't just limit herself and her instrument to traditional tunes, however. You may find her getting down to some Metallica!" Well, maybe on his show next time around.

The Celtic Folk Podcast showcases Celtic and traditional music from around the world. Download this show, featuring Anne Roos, at www.CelticFolkPod.com (show number 5). This weekly podcast is also available for subscription on iTunes.
